

Quality Policy

Cablelynx Limited recognises that the disciplines of quality, health and safety and environmental management are an integral part of its management function. Our purpose and strategic direction have been aligned with the business context in which we operate.

Our Quality policy calls for continuous improvement in Quality management activities and business will be conducted according to the following principles:

We will:

- Establish clear objectives for quality and monitor performance against them. Results will be communicated throughout the Company and to interested parties;
- Comply with all applicable laws, regulations and other requirements;
- Commit to complying with the requirements of ISO 9001 and continuously improve our Quality Management System. We will make best use of our management resources in all Quality matters taking account of associated risks and opportunities when planning changes to our business;
- Take due care to ensure that all activities are safe for employees, associates and subcontractors and others who come into contact with our work;
- Work closely with our customers and suppliers to establish the highest Quality standards, to enhance the customer's perception of the company by consistently delivering a range of products to the customer's own specification;
- Adopt a forward-looking view on future business decisions taking account of the context in which we operate;
- Train our staff in the needs and responsibilities of Quality management.
